

Anglo/Brazilian
Northern Mato Grosso Expedition 1967/69

FLORA OF MATO GROSSO

No. R. 227

Cochlospermum orinocense (H.B.K.) Standel

c 3 km. E. of Xavantina (52°20'W - 14°44'S).

Tall tree, c. 21 m. Flowering when
leafless. Very conspicuous because of
the handsome trusses of bright yellow
flowers.

Growing on the margin of tall gallery
forest.

Date: 30.7.1967
